Manuscript Title: _____

We certify that all contributors (the signatories) have participated sufficiently in the conception or design of the work; or the acquisition, analysis, or interpretation of data for the work; AND drafting the work or revising it critically for important intellectual content; AND final approval of the version to be published; AND agree to be accountable for all aspects of the work in ensuring that questions related to the accuracy or integrity of any part of the work are appropriately investigated and resolved.

Neither this manuscript nor one with substantially similar content has been published under our authorship nor is it being considered for publication elsewhere, except as described in the covering letter. If requested by the editors, we will provide the data/information on which the manuscript is based, for examination by the editors or their assignees.

Financial interests, direct or indirect, that exist for individual contributors in connection with the content of this paper, have been disclosed in the cover letter, along with sources of outside support to the project.

We understand that we shall retain ownership of the material and hereby agree for our manuscript, if published, to be covered by the **Creative Commons License** [\[Attribution-NonCommercial 4.0 International \(CC BY-NC 4.0\)\]](https://creativecommons.org/licenses/by-nc/4.0/)

As part of the **Creative Commons License** referred to above, we agree to the following terms:
Authors retain copyright and grant the journal right of first publication with the work simultaneously licensed under a Creative Commons Attribution License that allows others to share the work with an acknowledgement of the work's authorship and initial publication in this journal.

Authors are able to enter into separate, additional contractual arrangements for the non-exclusive distribution of the journal's published version of the work (e.g., post it to an institutional repository or publish it in a book), with an acknowledgment of its initial publication in this journal.

Authors are permitted and encouraged to post their work online (e.g., in institutional repositories or on their website) after publication in the Journal, as it can lead to productive exchanges, as well as greater citation of published work.

We give the right to the corresponding author to make necessary changes as per the request of the journal, and for any other correspondence on our behalf.

All persons who have made substantial contributions to the work reported in the manuscript, but who are not contributors, are named in the Acknowledgment and have given their written permission to be named.
